

EEOC Training Institute
Louisville Technical Assistance Program Seminar Agenda
May 12, 2004

Agenda Highlights: Each year, the Louisville Office presents roleplays written and performed by EEOC staff. Attendees, plaintiff, and defendant attorneys interact with EEOC staff to discuss the issues raised and propose possible outcomes. This year our role plays will explore harassment, disability, and age discrimination. New this year is a session on “How to Do it Right” which will provide practical answers on preventing discrimination and dealing appropriately with complaints when they occur.
